EXT. TATOOINE - DESERT - LARS HOMESTEAD - AFTERNOON

- 1 Jawas arrive in their sandcrawler vehicle and disembark to sell droids to the Lars family.

BERU

Luke, tell Owen that if he gets a translator to be sure it speaks Bocce.

LUKE

It looks like we don't have much of a choice but I'll remind him.

- 2 Luke return to his uncle as they look over the equipment for sale with the Jawa leader.

OWEN

I have no need for a protocol droid.

- 3 Threepio jumps up and down

THREEPIO

(quickly)

Sir -- not in an environment such as this -- that's why I've also been programmed for over thirty secondary functions that...

OWEN

What I really need is a droid that understands the binary language of moisture vaporators.

THREEPIO

Vaporators! Sir -- My first job was programming binary load lifter... very similar to your vaporators. You could say...

OWEN

Do you speak Bocce?

THREEPIO

Of course I can, sir. It's like a second language for me... I' as fluent in Bocce...

OWEN

All right shut up!
(turning to Jawa)
I'll take this one.

THREEPIO

Shutting up, sir.

OWEN

Luke, take these two over to the garage, will you? I want you to have both of them cleaned up before dinner.

LUKE

But I was going into Toshi Station to pick up some power converters...

OWEN

You can waste time with your friends when your chores are done. Now come on, get to it!

LUKE

All right, come on! And the red one, come on. Well, come on, Red, let's go.

INT. LARS HOMESTEAD - GARAGE AREA - LATE AFTERNOON

- 4 The garage is cluttered and worn, but a friendly peaceful atmosphere permeates the low grey chamber. Threepio lowers himself into a large tub filled with warm oil. Near the battered Landspeeder little Artoo rests on a large battery with a cord to his face.

THREEPIO

Thank the maker! This oil bath is going to feel so good. I've got such a bad case of dust contamination, I can barely move!

- 5 Luke seems to be lost in thought as he runs his hand over the damaged fin of a small two-man Skyhopper spaceship.

LUKE

It just isn't fair. Oh, Biggs is right. I'm never gonna get out of here!

THREEPIO

Is there anything I might do to help?

- 6 Luke glances at the battered robot. A bit of anger drains and a tiny smile creeps across his face.

LUKE

Well, not unless you can alter time,
speed up the harvest or teleport me
off this rock!

EXT. TATOOINE - WASTELAND

- 7 The landspeeder zooms across the desert. The speeder stops
on a bluff overlooking the spaceport at Mos Eisley.

BEN

Mos Eisley Spaceport. You will never
find a more wretched hive of scum and
villainy. We must be cautious.

EXT. TATOOINE - MOS EISLEY - STREET

- 8 The speeder is stopped on a crowded street by several combat
hardened stormtroopers who look over the two robots. A
Trooper questions Luke.

TROOPER

How long have you had these droids?

LUKE

About three or four seasons.
